SUMMARY

M.Tech CSE (AI/ML) student with a strong foundation in Java Full Stack development and hands-on experience in developing responsive web applications. Familiar with both frontend and backend development, database management, and application development using modern technologies. Seeking an entry-level Java Full Stack Developer opportunity to apply my technical knowledge, develop practical solutions, and contribute to organizational growth.

EDUCATION

M.Tech in Computer Science & Engineering (AI/ML)
Anil Neerukonda Institute of Technology & Sciences (ANITS), Visakhapatnam | 2025–Present | Pursuing

B.Tech in Computer Science & Engineering
WISTM College, Visakhapatnam (AU) |2019-2023|CGPA:7.08

TECHNICAL SKILLS

Frontend Technologies: HTML5, CSS3, JavaScript, React JS, Bootstrap, Tailwind CSS

Backend Technologies: Java, J2EE, JSP, Servlets, Spring Boot, REST APIs, Microservices Architecture

Database: MySQL, Microsoft SQL Server (MSSQL)

Tools & Platforms: Git, GitHub, Postman, Eclipse IDE (J2EE), VS Code, Apache Tomcat, Maven, IntelliJ IDEA

PROJECTS

Food E-Commerce Website | React.js

Technologies: React.js, JavaScript, HTML5, CSS3, React Router, Context API, TheMealDB API, Local Storage, Git, GitHub, Netlify.

Description:
Developed a responsive food e-commerce web application using React.js, JavaScript, HTML5, and CSS3. Implemented food category browsing, search functionality, product details, user authentication, and React Router-based navigation. Used Context API for cart and quantity management, Local Storage for storing user-related data, and TheMealDB API for fetching food products. Managed the project using Git and GitHub and deployed the application on Netlify.

EXPERIENCE

Frontend Development Intern | New Thoughts IT Solutions | Nov 2023 – Jan 2024

- Developed and maintained the frontend using HTML, CSS, JavaScript as required.
- Assisted in building responsive UI components for web applications.
- Collaborated with the team to troubleshoot and debug issues.

CERTIFICATIONS

- Microsoft Dot NET Full Stack Development
- Web Development
- Elements of AI (Completion Certification)
- Microsoft Technology Associate
